Textiles Mills under NTC and Private Sector

249. SHRI S. AUSTIN: Will the Minister of TEXTILES be pleased to state:

(a) the number of textile mills are being run by the National Textiles Corporation together with the names thereof;

(b) the total number of textile mills being run in the private sector together with the names and the locations thereof;

(c) the actual production and capacity of NTC and private mills at present Separately

(d) whether the production and capacity of NTC mills is lower than the private sector mills;

(e) if so the reasons therefor; and

(f) the steps taken by Government to increase the production and capacity of public sector mills?

THE MINISTER OF STATE OF THE MINISTRY OF TEXTILES (SHRI KAMAL NATH): (a) and (b) There are 120 mills under the National Textile Corporation and 1119 mills in the private sector. Details of the names and location of these mills will be laid on the Table of the House.

(c) The NTC has a commissioned capacity of 29.29 lakh spindles and 25,217 looms as on 30.6.1995.The production of NTC Mills during 1994-95 was 57.60 million kgs. of market yarn and 102.56 million mtrs., of cloth . The private mills have an installed capacity of 216 lakh spindles, 1.75 lakh rotors and 76,324 looms. The production of market yarn and cloth inthe private sector mills during 1994-95 was 1631 million kgs. and 1305 million sq. mtrs. respectively

(d) to (f) The lower capacity and production of NTC mills is due to the fact that the NTC mills are facing problems of obsolete machinery, excess man-power and acute shortage of working capital. The Government have approved a revised Turn Around Strategy for modernisation of NTC mills, involving modernisation of 79 mills at an outlay of Rs. 2005.72 crores, merger of 36 unviable mills into 18 viable units, etc. In view of the fact that the cases fo 8 out of 9 subsidiaries of NTC are before the BIFR, the modernisation plan has been submitted to the BIFR of its approval before implementation.
